## Panda & Frog

Rules of the game:

Do what Panda says. Do not do what Frog says.

To lead the game, call out a series of directions: either “Panda says, \_\_\_\_\_” or “Frog says, \_\_\_\_\_.” Hold up the matching picture as you give each direction.

Start with several Panda commands. For example:

“Panda says touch your ear.”

“Panda says rub your belly.”

“Panda says clap your hands.”

Start mixing in an occasional Frog command. For example:

“Panda says stick out your tongue.”

“Panda says stamp your left foot.”

“Frog says touch your nose.”

“Panda says stand on your right foot.”

“Frog says wave your right hand.”
