

TEMPERAMENT TIPS

IS HAPPY, PLEASANT

This child may be easy to live with as they are. Enjoy them, but also look for the unpleasant feelings they may sometimes have but not show.

IS OFTEN UNHAPPY OR SAD

Help this child look at the happy side of life. Point out the good things that can happen, even when those things are small.

HAS A STRONG WILL; LIKES TO LEAD

Give this child lots of time to be the boss. Also give them choices to make instead of orders to take. Help them cooperate with others.

IS GENTLE; LIKES TO FOLLOW

This child may be kind to others. You might need to help them be stronger. For example, if someone takes their toy, teach them how to ask for it back.

LIKES TO BE VERY NEAT

Teach this child how to relax and enjoy life. They do not need to always have everything neat and in place.

IS USUALLY MESSY

Help your child to be neater. Teach them to pick up toys and put away clothes.
