

# Age 1: the Explorer

---

**Child's job:** to get to know the world by seeing, hearing, touching, tasting, and smelling everything

**Parent's job:** to provide safe places where they can explore

---

**01** Walks without help...then *darts* and d-a-s-h-e-s->

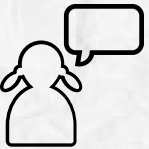

**03** Puts everything in their mouth

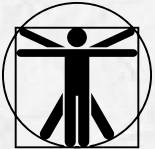

**05** Doesn't understand "breakable"

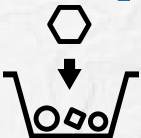

**07** Says first words

**09** Knows different parts of the body

**11** Helps to put things away

**02** Reaches and tries to touch everything

**04** May bite, hit, or kick

**06** May be prone to injuries

**08** Sits in a chair by himself

**10** Likes to pull things out of drawers

**12** Is not ready to play well with other children
