

# WAYS TO PREPARE YOUR CHILD FOR KINDERGARTEN

1

Talk with your child often.

3

Use routines for bedtime, morning, and mealtime.

5

Complete all requirements, such as immunizations, physicals, and registration forms.

7

Play games and encourage pretend play.

9

Teach good hygiene.

2

Read to your child daily for 20 min.

4

Practice counting up to 20 and the ABCs.

6

Explore shapes and sizes and work on making patterns.

8

Give your child time to draw.

10

Get to know your school by visiting it beforehand. Play on the playground and meet the teachers.

*Your child should know:*

*~first and last name    ~street address*

*~parents'/guardians' names*

*~phone number*
